

We are FEAR THIS, Inc. a nonprofit organization committed to safe teen driving. We are based in Snellville Georgia. Our programs are for both teens and parents. These programs range from community displays, car shows, school PTA presentations to our hands-on training program.

Our 501c3 number is: 58-2609317

Our Instructors are P.O.S.T. (Peace Officers Standard and Training Council Certified EVOG Instructors). Our Instructors come from Law Enforcement Agencies from across Georgia

In January 2004, we launched TVOC, Police Training For Teen Drivers, an advanced driver training course teaching teens accident avoidance skills. Our course was designed and is taught by Police Academy Instructors. We are in our 7th year and have trained 2300 teens in Georgia. We are the only program of our type endorsed by John Oxendine, State of Georgia Insurance Commissioner. We are making a difference and saving lives.
